PURCHASER AGREES TO THE FOLLOWING:

1. The kitten will not be sold to anyone else without approval of the seller.
2. The kitten/cat is to be kept strictly indoors or the health guarantee will be void.

HEALTH AND OTHER GUARANTEES:

1. If purchaser takes kitten to their vet within 72 hrs to confirm health of the kitten and their vet puts in writing that they do not have a healthy kitten, buyer should return the kitten at buyer's expense immediately to receive a refund. Please keep in mind that kittens may come down with a minor cold or eye infection due to the stress of moving .
2. Seller guarantees kitten against any serious genetic defects such as heart, kidney, or liver for a period of two years from birth. **Defects must be substantiated by tests and should death occur, a certified Pathologist must furnish an autopsy.** Tests and/or autopsy to be at purchaser's expense. If death occurs, seller will furnish purchaser with a replacement kitten of equal quality as soon as possible. If kitten does not die, health issues may be worked out monetarily.
3. **DO NOT administer more than one vaccine at a time or the health guarantee will be void.**
4. Seller shall not be liable for any medical expenses for tests, medications or treatments for any health condition. Pet insurance is an option to consider.
5. Guarantees are not given for allergies, personal dislikes or potty training. However, if these occur or if any type problems or concerns are suspected, call me **immediately** so that the situation can be discussed and a solution found. Immediate action to any problem is necessary. Don't hesitate to call.
6. **Never use flea collars. Never allow your vet to give the FIP vaccine (Feline Infectious Peritonitis). Leukemia vaccine is not necessary for indoor pets.**
7. **Kittens are registered and blue slips are furnished when returned from TICA or CFA**
