Is there anything else you would like to share about your family or why you are choosing a ragdoll kitten for your family? _____

Thank you for allowing me to learn more about your quest for a ragdoll kitten as well as your family and home. Your ragdoll is an investment in joy and companionship that will last for possibly 15 or more years. Making the right decision is important for you, the kitten, and myself as a breeder. My quest is to take the time to place these bundles of kitten happiness where they will thrive and truly exemplify the ragdoll breed. In the right conditions of love and care, they do just that!
